*Note: There are two huge advantages that the TAAC membership brings, over & above: [1] to be able to participate in charitable projects organized by TAAC from time to time [In 2019 - our first year we had 8 such succesful programs] and [2] by taking the membership, either lifetime or yearly, you strenthen the camaraderie and bond between the select Abdalians residing in Canada...there is, by far, no dollar value, per se, that one can put to these advantages, perhaps! Thank you.*
